

THE ARTIST AS COLLECTOR: JOHN CLANG PHOTOGRAPHER EXTRAORDINAIRE

The next guest in our artist talk series, we are pleased to share that New York-based Singaporean photographer, John Clang will don his "collector" hat. What kind of art or objects does John like? What would be his approach to collecting? Who are his favourites and why some will never make it on his wish-list.

The talk will be a conversation amongst John, Ning and Mr. Chong. Members of the audience are invited to participate in the Q&A session to follow.
